

Invite Challengers to run a Disability Awareness Workshop

We believe in teaching people about disability in a positive and interactive way. We run Disability Awareness Workshops for local organisations to teach them about disability by relating it to what Challengers does best - play.

How we run our Disability Awareness Workshops

We alter the format to make the presentation engaging and appropriate for different age groups. By the end of the session your group will have a positive understanding of disability and to understand the difference that play makes to the lives of the people who come to Challengers.

Where we can run a Disability Awareness Workshop

Our Disability Awareness Workshops can be run at your local meeting place or you are welcome to visit either of our Playcentres in Farnham and Guildford. There will also be an opportunity to play on our soft play or outdoors play structure for younger groups.

Timings of our workshops

30 minutes for a shorter workshop to 1 hour for a longer workshop, which contains more interactive elements. We are also happy to cater to other length of times, depending on your group's particular requirements.

Minimum donation for a workshop

We ask for a minimum donation of £25 (for the shorter 30 minute workshop) or £50 (for the longer workshop), which goes towards supporting local disabled children and young people to access our vital play and leisure experiences.

We had a great experience, with the information provided being age appropriate and engaging. The Beavers were encouraged to think about themselves and others, answer questions and have fun. The workshop has counted towards the Disability Awareness Badge our young people are currently working towards. The staff at Challengers were very willing to tailor our visit to our requirements and I would highly recommend Challengers and the Disability Awareness Workshop to other Scouting groups in the area.

- Sarah W, Assistant Beaver Leader for Farnham 5th (Bourne). after attending a Disability Awareness Workshop at our Farnham Playcentre

If you are interested in booking a Disability Awareness Workshop for your organisation, please contact Fundraising Team on 01483 230 060 or fundraising@disability-challengers.org.
